After deliberations, the members recommended the earlier recommendations of the Committee constituted by the competent authority which are as under:-

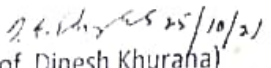

1. that those candidates who appeared in the supplementary examination to clear their pending exam, the marks obtained in this examination may be treated as their performance in the internal test examination and the internal assessment accordingly may be submitted out of 50 marks;
2. that the concerned departments will conduct an offline internal assessment examination/test of those candidates who have not appeared in internal assessment examination/those students who were not able to pass with '50-50 criterion' earlier & wish to improve the internal assessment. The department will submit the revised internal assessment marks out of 50 to the examination branch for preparing the result of such students.

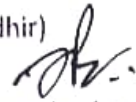

The members further recommended that the datesheet for the proposed offline internal assessment examination/CBCS paper will be finalized by the CBCS Coordinators (Prof. Sanjiv Kumar Soni, Deptt. of Microbiology and Dr. Varinder Kaur, Deptt. of Chemistry) and issued to all the concerned departments.
